

Gender and Environmental Law. Challenges and opportunities for promoting the role of gender in environmental justice

V Tarragona International Environmental Law Colloquium (TIEC)
25-26 June 2020

A gender view in order to elaborate a legal framework and public policies to face the climate emergency

Prof. Amanda B. M. Fadigas

University of Girona (Spain)

Open University of Catalonia (Spain)

At this time, the legal framework and climate policy to deal with climate change are being consolidated worldwide. Discussing the gender perspective in this process can contribute to achieving climate justice that recognizes the different vulnerabilities, impacts and gender resiliences.
